Professional Experience

Technical Intern   09/2023 to 11/2024
Quintus Tech Pvt Ltd   **Indore**

- Developed responsive e-commerce and payment websites, showcasing expertise in HTML, CSS, Bootstrap, Tailwind, JavaScript, React, and Next JS.
- Applied a keen eye for design and prioritized user experience, resulting in visually appealing and intuitive websites.
- Ensured seamless adaptability to various devices, enhancing overall user satisfaction and engagement.
- Specialized in creating secure payment processing systems, contributing to the robustness and reliability of online transactions.
- Demonstrated a focus on user-centric design principles, emphasizing both aesthetics and functionality in website development.
- Leveraged proficiency in HTML, CSS, and JavaScript to implement cutting-edge web solutions that meet or exceed industry standards.
- Employed React and Next JS to enhance website interactivity, providing users with a dynamic and engaging online experience.
- Maintained a commitment to staying current with emerging technologies, ensuring websites were built using the latest and most effective tools for optimal performance.
- Contributed to improved user interactions through a combination of technical expertise and attention to user interface and experience details
- Collaborated with cross-functional teams to ensure timely project completion and seamless communication.
- Developed innovative solutions to complex technical problems, resulting in improved system stability.
- Improved user experience by addressing reported bugs and implementing necessary fixes promptly.
- Worked closely with quality assurance teams to identify and resolve any potential issues before they reached endusers.
